Cut on outer black lines, fold along center line and tuck into front of Jewel Case

**Ingersoll on ABRAHAM LINCOLN**  
from the Works of Robert G. Ingersoll,  
Volume 3, Lecture 3

Col. Ingersoll begins his popular lecture series on famous persons as follows: "It is hard to overstate the debt we owe to the men and women of genius. Take from our world what they have given, and all the niches would be empty, all the walls naked—meaning and connection would fall from words of poetry and fiction, music would go back to common air, and all the forms of subtle and enchanting Art would lose proportion and become the unmeaning waste and shattered spoil of thoughtless Chance." One of the most famous orators of his day, a contemporary and personal friend of Mark Twain and General Grant, Ingersoll's lectures on famous people herein includes: SHAKESPEARE, ROBERT BURNS, ABRAHAM LINCOLN, VOLTAIRE, WALT WHITMAN; followed by inspiring speeches on THE GREAT INFIDELS, WHICH WAY? (science or superstition), and ABOUT THE HOLY BIBLE. Lectures from Volume 1 on THOMAS PAINE and HUMBOLDT, will also be included in this series. ( Michele Fry)

Genre(s): \*Non-fiction    Language: English  
Group: [Ingersoll Lectures, Volume 3 \(Literature\)](#)
